Summary

College Student | Computer Science (Level 2) #

Welcome to my LinkedIn profile! I am a dedicated and enthusiastic college student currently pursuing a Bachelor's degree in Computer Science. Currently at Level 2, I am eager to share my passion for technology, problem-solving, and innovation.

About Me:

I am deeply fascinated by the world of computer science and its potential to revolutionize industries and improve lives. Through my coursework and hands-on projects, I have developed a solid foundation in programming languages such as Java, Python, and C++, as well as gained knowledge in algorithms, data structures, database management, and software development methodologies.

Key Skills:

In addition to my technical skills, I possess strong analytical abilities, critical thinking, and attention to detail. I thrive in collaborative environments and enjoy working as part of a team to tackle complex challenges. I am also a lifelong learner, constantly seeking opportunities to expand my knowledge and stay up-to-date with the latest advancements in the field.

Professional Goals:

As a Level 2 Computer Science student, I am excited to further refine my skills and deepen my understanding of core concepts in the discipline. I aspire to apply my knowledge to develop innovative solutions that address real-world problems. Ultimately, my goal is to contribute to the advancement of technology and make a positive impact in the industry.

Education:

I am currently studying at Arab Academy for Science, Technology and Maritime Transport, pursuing a Bachelor's degree in Computer Science. I am excited to leverage the resources and opportunities provided by my institution to enhance my education and further develop my skills.

Let's Connect:

I am always open to networking and exploring collaborative opportunities with professionals, educators, and fellow students in the computer science field. Feel free to reach out to me via LinkedIn or email to connect, discuss projects, or share insights.

Thank you for visiting my profile, and I look forward to connecting with you!

Education

Arab Academy for Science, Technology and Maritime Transport

Bachelor's degree, Computer and Information Sciences and Support Services

Sep 2022 - Jun 2026

Al salam collage for boys

Student

Sep 2019 - Jul 2022

Licenses & Certifications

Responsive Web Design - freeCodeCamp

CyberSecurity Workshop - GDSC Delta University

JavaScript Algorithms and Data Structures - freeCodeCamp

Front End Development Libraries - freeCodeCamp

Data Visualization - freeCodeCamp

The 2023 ICPC ECPC Qualifications Collegiate Programming Contest Day 1 07 - 07 August 2023 - ICPC - International Collegiate Programming Contest

Foundational C - United Latino Students Association

Foundational C - Microsoft

Foundational C - freeCodeCamp

Full Stack Development Track - Udacity

Skills

Front-End Design • HTML5 • Cascading Style Sheets (CSS) • Full-Stack Development • Presentations
• C# • Teaching • Responsive Web Design • Data Visualization • Front-End Development
